

Space Saver Wing Rigger Brackets

Would you like to safely store your wing riggers out of harms way NOW?

- > Extend the life of your riggers
- > Store more boats
- > Efficient & Safe
- > Save \$\$ in maintenance costs

You can now prevent unnecessary wear and tear as well as maintaining your rigger settings.

Wing rigger brackets use space efficiently and can be mounted double height, behind your boats and even on a trolley.

Riggers stored behind boats

Racks shown empty and full
